Description

Ground floor

Living room with French doors to gardens and pool terraces.

TV room with French doors to gardens and pool terraces.

Dining room.

Guest cloakroom

Kitchen with hob, oven, microwave, dishwasher, American fridge with ice maker plus a second large fridge, washing machine and dryer

First floor

Master suite with double bed, private terrace, dressing area with separate toilet and shower rooms.

Three further en-suite bedrooms with double beds.

Twin bedroom with en-suite

Outside

The villa is set in very large gardens with plenty of space for children to play

The swimming pool takes centre stage at the rear of the villa.

The villa has electric awnings both at the villa and next to the pool if more shade is needed - see the photo gallery for "with" and "without" awning pictures.

There is a magnificent shaded dining / BBQ area with washing up facilities - excellent for those long holiday lunches.

A full size private tennis court for client use - equipment is not provided

Wine Cellar

The owners of the villa have their own private wine cellar. They have agreed to open this to our clients who will be able if they wish to sample some of the excellent wines. There will be a price list left at the villa and clients will pay the housekeeper for any wine they consume
