Description

Upper ground floor

Split-level lounge and dining room, with French doors to a terrace overlooking the pool and gardens. Access to the pool terraces is by external steps
Twin bedroom served by a shower room with WC
Kitchen, which has an oven & hob, dishwasher, fridge/freezer and microwave oven

First floor

Two bedrooms, both doubles with en-suite facilities with Jacuzzi baths. Both bedrooms have a small terrace overlooking the pool area. The master bedroom is air-conditioned
The pool terraces are at "lower ground level". Here you will find the very large kidney-shaped pool, with poolside shower and toilet. Also at pool level is a self-contained apartment or fourth bedroom. This has a twin bedroom with shower room/WC but is also equipped with its own kitchen, including oven, fridge/freezer and dishwasher. This area also houses the villa washing machine.
