#### **2 and 3 Bedroom Apartment description**

The apartments are set in small clusters linked by "calçada" stone paths, amongst luxuriant landscaping and close to all Encosta do Lago's facilities. The spacious airy apartments have views over the gardens, lake, sea and pine forest. No building is taller than 3 stories, most are only two. Upper storey apartments benefit from large terraces, whilst ground floor properties have both terraces and gardens. The exceptional interiors use only high quality finishes and fittings, with stone floors in living areas and polished stone wall and floor tiles in bathroom and showers. The kitchens are fully fitted with Bosch equipment and beautiful polished granite worktops with stone splashbacks. The two bedroom properties have a double and twin room, both en-suite, the three bedroom apartments have two double rooms and a twin all
