Description

Ground floor

Entrance hall with guest cloakroom.
Large modern kitchen with hob, separate oven and grill, microwave, coffee maker, fridge/freezer, dishwasher and washing machine.
Double bedroom with en-suite shower room
Twin bedroom with en-suite shower room
Very spacious living and dining room with French windows to the outside pool and dining terraces.
Television room with LCD television and DVD player.

First floor

Twin bedroom with en-suite bathroom and shower.
Master suite with en-suite shower and walk in wardrobe.
Both of these rooms share a terrace overlooking the swimming pool and garden.

Outside

Covered terrace overlooking the swimming pool. This terrace is furnished with comfortable chairs and tables for relaxing in the shade.
Built-in barbecue with fitted cupboards, including a small fridge, alongside the swimming pool
Shower room with basin and toilet
The house is surrounded by a pleasant landscaped garden with a large area of lawn and attractive regional plants and shrubs.

Connection to the internet

The villa is connected to a broadband service through the telephone line. In order to access this it is necessary to install a CD. The extra broadband line charge and use of the CD will be £20 but the deposit for open telephone access will be £400. This must be paid with your final villa rent balance. This service must be booked in advance. The telephone deposit will be cashed and only returned about 2 months after your holiday when the bills for the period of your stay have been received.
